

Diving Shop

Our facility includes an equipment storage, shower and equipment washing area, and a logbook writing area for all scuba divers' convenience.

Souvenir Shop "White Rock Lily"

Our souvenir shop is located next to the diving shop. Original products, local manufactured cookies, diving accessories, T-shirts, and ocean themed products are available.

BLUE MARLIN Diving Shop in Palau

- Safely operating since 1987.
- Has developed several new diving spots.
- Located in the 5 star Palau Royal Resort.
- Restrooms are available on all boats.
- Certified guides with more than 5 years of experience.
- Palau's only certified PADI Course Director.

FUN DIVING

Experience world class diving!

Our experienced guides will take you to the best diving site of the day.

Example Schedule

9:00	Depart by boat	※Time may change due to oceanic condition.
10:00	First dive	
11:30	Second dive	※For two dive days, return time will be around 15:00.
12:30	Lunch	
14:00	Third dive	
16:30	Return by boat	

Rare fish you can see depending on time and season

January-March	Large schools of moorish idol Large schools of orange spine snapper
March-May	Large schools of sailfin snapper
Before new moon	Breeding humphead parrotfish
Before full moon	Breeding red snapper

TRIAL DIVING

Trial diving at an uninhabited island!

Trial diving is held at an uninhabited island. Once we get to the island, we will do two dives in the inland sea where you can witness many tropical fish and corals. You can also enjoy snorkeling or just simply relax on the island. A restroom is available on the island as well.

Example Schedule

9:00	Depart by boat
9:30	Arrive at the uninhabited island
10:00	Prepare to scuba dive
11:00	First dive
12:00	Lunch
13:00	Second dive
14:30	Depart from the uninhabited island
15:00	Returning time

※Time may change due to oceanic condition.

DIVING COURSES

Various PADI courses available!

※Please check the dates before applying.

We offer various PADI courses for those who wish to receive their scuba diving certificate in Palau. All courses will be supervised by a Japanese PADI Course Director*. Please contact us for further information.

*PADI course directors are the top 1% of the PADI master instructors.

PADI is the world's largest organization in scuba diving training headquartered in California, United States. Regional office are located in 7 areas around the world. In over 180 countries, there are more than 136,000 professional members including instructors, and more than 6,300 dive centers and resorts. (www.padi.com)

Popular Diving Courses

Open Water Diving Course	2 Days
Advanced Open Water Course	2 Days
Enriched Air Diver	1 Day

※The above schedule is if you complete the PADI eLearning beforehand. If you plan to take the class in Palau, it will be one day additional. (See below)

PADI eLearning

There is no need to study in the classroom when there is the beautiful ocean in front of you! Most PADI courses allow you to complete an online course by viewing pictures and videos to learn the basics principles of scuba diving. Once you get to Palau, you can get in the water immediately.

Example Schedule for Open Water Diving Course

You may complete the online course at home after applying for the course.

Day 1 in Palau	Skill training on an uninhabited island (Training No.1-5) Ocean training dive No. 1
Day 2 in Palau	Ocean training dive No. 2-4 (Third dive), Certified as a scuba diver
Day 3 in Palau (Optional)	Join fun diving as a scuba diver
